

Class Picasso Home Learning

This week's homework is a **maths** task. Over this week, we have been consolidating our understanding of dividing by 10, 100 and 1000. To finish off, please have a go at the questions on the **Multiplying and Dividing Decimals by 10, 100 and 1000** sheet that is attached.

Remember to come and see me on a Monday or Tuesday lunchtime if you need help.

Year 5 Spelling Words of the Week

ceiling
deceit
perceive
received
average

Please learn these words, in addition to those in your book, ready for the test on Thursday.

Top Tip

- For multiplication the digits move to the left; getting bigger.
- For division the numbers move to the right; getting smaller.
- Draw out a place value grid to help.
- Move digit cards (0-9) along the

P.S. Please remember to **read four times a week** and practice your times tables.
