End of Year Expectations Reception

This booklet provides information for parents and carers on the end of year expectations for children in our school. The Early Learning Goals outline these expectations as being minimum requirements your child must meet in order to ensure continued progress.

All of the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your child to achieve these is greatly valued. If you have any queries regarding the content of this booklet or want support in knowing how to best help your child, please talk to your child's class teacher.
