

Sedlescombe Newsletter No. 03

WORSHIP THEME - Look after God's World

This week in worship we have been reflecting on the Creation Story in Genesis and how God made the world for us but in return asked us to look after it. The children were shown pictures displaying the beauty of our World, but also what can happen when we do not respect our world. The children were shown pictures of deforestation, forest fires, oil pollution and litter on beaches.

The children were asked to think about what they can do to be a World Caretaker and look after our planet. They came up with lots of ideas including recycling, picking up litter, looking after pets and sick animals.

RECEPTION WELCOME

This week all of our reception children formally started at school. We are very proud of how well the children are settling in and working and playing in their classroom and on the playground. I would like to officially welcome all of the new children and their families to Sedlescombe Church of England Primary School. I hope that all of the children will be very happy and I can't wait to watch them grow as people and learners in their time with us.

WELCOME CLASS MOZART

I would also like to say thank you and well done to the children in Class Vivaldi who have really impressed me with the kind and mature way in which they have taken on their buddy duties. Lots of different teachers in school have told me what a brilliant job you are doing - well done.

HARVEST FESTIVAL

Nest Friday we will be celebrating Harvest at Sedlescombe Church. This year we had hoped to link the service with a shared lunch afterwards on the field at the church. The aim of this was to have some quality time together as a community and to celebrate the sharing focus of harvest together. Unfortunately due to the weather the field is too wet for us to be able to do this.

Not to be beaten we have decided to move the service to the afternoon. The service will now start at 1:45 pm and after the service the children will return to school and share an afternoon tea together in their classrooms. Families are invited to join us at the church for the service and then the tea or just join us for afternoon tea back at school at 3:00 pm. We hope that lots of you will be able to join us.

Reception parents please note that children in Class Mozart will not be going to the church, but will be joining in the afternoon tea so please feel free to come and join us for that. It is a little bit too early to start walking the children to church.

Donations of tinned food which will be added to the church gifts would be greatly appreciated. The food will be given to Crisis at Christmas which helps local families in need at this time. Thank you.

SCHOOL DINNERS

Chartwells have informed us that after the October break all school dinners will need to be ordered online and paid for using Parent Pay, if payment is needed. Mrs Butler will no longer be available in the Yurt for you to order you child's school dinner. In preparation for this if you already have a Parent Pay account you may like to start using this and if not please pop-in to the office and speak to Mrs Hardes who will be able to set you up with an account.

For the first week we have been informed that Mrs Butler will be able to support you with ordering on line but she will not be able to take your order.

GUITAR LESSONS

Mr Butler, our guitar teacher has informed us that he has availability to teach additional guitar lessons. If your child is in Years 3 to 6 and would like to start learning to play the acoustic guitar please give your details to Mrs Hardes and she will pass these on to Mr Butler who will make contact with you to discuss this with you.

WEBSITE

The website has now been designed and will be going live for you to look at next week. The main change is that the website will work on tablets and mobile phones which will hopefully make it easier for you to keep up to date with what is happening in school.

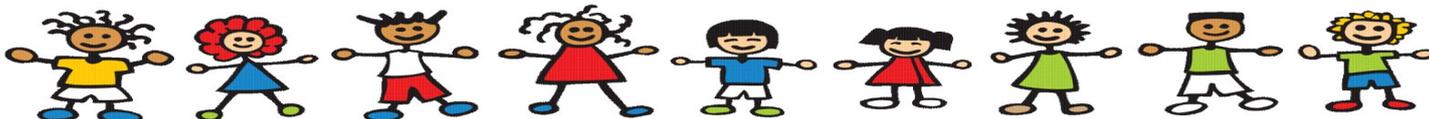

Some of the information will need updating for the new school year, but we wanted to launch it so that you can download key documents and have access to the diary section. More information will come on line week by week. We have more control over the new website so we will be able to update it and adapt it more easily.

PRIVACY NOTICE

Please find attached to this newsletter a Privacy Notice which we need to provide to all families as it outlines how we keep and manage personal data that we have on file about your children.

CYCLING ACHIEVEMENT

Well done to Mak on his cycling achievements. He Finished 6th out of 29 in only his second Cyclocross race in the London League at Herne Hill.
