

Sedlescombe Newsletter No. 05

WORSHIP THEME - Share to Show you Care

This week in worship we have been thinking about sharing and what it means to share. Unfortunately Mrs Harvey didn't get it right at the beginning of the week and ate Chocolate in front of all the children. The children explained that this wasn't very nice and they thought about times when they had found it hard to share as well. We agreed that it is hard to share our favourite things.

Mrs Harvey did then share her chocolate with some of the children but she made them eat the chocolate with very, very long spoons. They tried but it was impossible until they shared and fed each other.

Mrs Harvey tried to improve on her sharing skills and brought in a banana to share, but she kept the banana and gave the skin away. The children had to tell her that this wasn't good sharing either. With the help of the children Mrs Harvey did learn to share and made us all very happy by sharing her chocolate with the whole school.

WEBSITE

The website is now live and can be accessed at:

www.sedlescombecep.e-sussex.sch.uk

Please take a look. The Noticeboard tab is a good place to start as you can find the newsletters here and a copy of letters sent home. The News section is where we will post photos of school events/trips etc. so you can see what is happening in school.

The Classes tab introduces you to each class and then has a link for each topic where you can learn about what the children will be learning. At the end of each topic the page will be updated with what the children did during the topic. You can also download class letters, assessment information and homework from the Class page.

The website will continue to be developed further over the coming year. If there is something you think it would be useful to have on the website please let me know and we will see if this is something we can add.

I hope that you find it useful and easy to use.

WHOLE SCHOOL HOMEWORK!

This week I took the lost property bucket into worship to try and return the numerous jumpers to their owners. Rather disappointingly of the 12 jumpers in the bucket, I could only return to 2 as the other 10 were not named.

This weekend I have asked all the children to check that their school jumpers have their names in. I would appreciate you helping the children with this task so that we can keep our lost property bucket as empty as possible. Thank you very much.

EGYPTIAN DAY

Year 3 had a fun day on Wednesday when they had their Egyptian Workshop. I have uploaded some photos to the website for you to have a look at. The children had a great time pretending to be Egyptians and learned lots and were inspired to do some fantastic writing. Well done Year 3.

MUFTI-DAY REMINDER

On Monday we have our first PTA Mufti-Day in preparation for the Christmas Fair. Children may wear their own clothes to school in return for a donation of chocolate for the Chocolate Tombola which is always one of the children's favourite stalls. Thank you for supporting this.

SCHOOL PHOTOGRAPHS

The school photographer is now coming on Wednesday 18th October to take photographs of children from Reception to Year 5 (Year 6 are at Kingswood). A separate date will then be arranged for Year 6 and Year 6 with siblings photos and we will notify you of this as soon as the photographer has been confirmed. We have had to do it this way to ensure that the photos are back in time for Christmas.

Have a lovely weekend and don't forget we have an INSET day on Monday 30th October straight after the October holidays.
