Dear Parents/Carers,

Re: After School Swimming Club

We are pleased to be able to offer an after school swimming club 4 days a week supervised by both a qualified lifeguard and a teacher. However to meet the pool requirements we do need a volunteer for each session to support in watching the children as they swim. Without this additional adult the sessions will not be able to run. If you are able to help please complete the relevant section of the booking form – thank you very much.

The times of the club are outlined below:

- Monday: 3.30pm-4.30pm
- Tuesday: 3.30pm-4.30pm
- Thursday: 3.30pm-4.30pm
- Friday: 3.30pm-4.30pm

The cost will be £3.00 per child per session and there are a maximum of 20 children per session to ensure that we meet the health and safety limits for our pool. These places will be allocated to the first 20 children that make payment at the school office. We will create a reserve list so if your child cannot get the session they wanted, they can go on this list. There will be a total of 10 sessions on Mondays and 11 sessions on Tuesdays, Thursdays and Fridays. No refunds will be given for child illness or other appointments made during swimming sessions.

Children may swim in as many clubs as they wish but these must be paid for in advance. Good behaviour is essential – if your child is badly behaved s/he will be banned from swimming for the rest of the term. If there is extreme bad weather and sessions have to be cancelled for safety reasons, refunds will be given and you will be contacted by text, but we hope that the weather will never be too bad to cancel. If sessions are cancelled you will need to collect your child at the end of the normal school day, 3:25pm. Places in Twilight might be available although this facility is very often full, so do not assume you can book your child into Twilight instead.

It is great to be able to offer on site after school swimming sessions and we hope that this year's sessions will be well supported and enjoyed by many children.
