WORSHIP THEME - HONESTY

This week we have started our theme on honesty and we started the week thinking about when we have told a lie and whether there is ever a time when it is OK to tell a lie. The children reflected on whether it was OK to lie to keep a surprise or to prevent someone's feelings from being hurt. What do you think?

The children were read a story where a girl told a little lie to her friend thinking that she would never be found out and it really wouldn't matter. What happened it that the lie grew and grew and one lie led to another lie. To demonstrate just how easy it is to tie yourself up in knots each time the lie led to another lie we tied Miss Hovenden's hands together. In the end there were so many lies that Miss Hovenden was completely tied up and unable to escape. That is what it is like when you start to tell lies—so be very careful.

WELCOME BACK

I hope that all of our families had a lovely Easter holiday and managed to spend some quality time together. I also hope the children had lots of fun eating all of their Easter Eggs! It is lovely to have all the children back at school ready for the fun of the summer term.

SENSORY GARDEN

How lovely to come back after the Easter holidays and to see that the Sensory Garden is in full spring bloom. The garden looks absolutely stunning and I can't wait to see how the it changes and develops in the coming months—it is so exciting!

BRICK WALL HOTEL

The Brick Wall manager came to see me this week because she was very concerned that parents are using the car park as a cut through. The concern is that many of their guests are elderly and not necessarily the most alert drivers which makes this very dangerous. They have kindly requested that for the safety of the children that the car park is not used as a shortcut to the school—thank you very much.

SUN SAFETY

This week we have been blessed with some lovely hot weather, although this is not set to last it is a good time to remind parents about the importance of sun safety.

Please can you make sure that all children have a named hat in school that they can wear at lunchtime. When the weather is hot the children should also come to school wearing high factor sun cream and with a water bottle.

ZOOLAB VISIT

Zoolab visited Class Mozart and Class McCartney this week to get their learning off to an exciting start. The children had lots of fun handling the different animals. If like me you are scared of snakes—look away now!

BOOK FAIR

Next week we will be holding a book fair. We have managed to get a great deal as we will earn 100% commission so for each book you buy we can choose a free book for school. I do hope that lots of you will come along and support us next week.

The PLT will be running the Book Fair from 3:00 pm Monday to Thursday next week so you can browse and purchase books. If you are not able to get to the book fair yourself then we will be taking all children to visit the book Fair on Monday and they will be choosing a book to go on their wish list. If you would like to purchase this book for your child then you can return the wish list with payment and the book will be sent home with your child that day. Payment needs to be made by cash or cheque made payable to Sedlescombe School.

I look forward to your support so that we can get lots of new books for school.

A flyer with more information is being sent home with your child today any other questions please see me on the school gate and I will be happy to help.

Enjoy the sunshine this weekend and have lots of fun.
