WORSHIP THEME - TOLERANCE

This week in worship we have been using video clips to learn about what tolerance does and does not look like. On Monday we started the week by watching a part of the Greatest Showman and reflected on how the performers were treated as inferior and unwanted because they looked different. People moved away and hid their children because they didn't want them to see someone who looked different or unusual. Some people even tried to drive them out of the town.

On Tuesday we watched a Disney video called Lambert the Sheepish Lion. Lambert was a lion who was adopted by a sheep, the only problem was that the other lambs wouldn't except him because he was different and couldn't bleat like them. They bullied him and constantly teased him. That was until one night when a wolf came and tried to attack his mum. Lambert found his inner lion and saved his mum. The lambs developed a new respect for Lambert and his own special skills.

We then reflected on how Jesus teaches us to show respect and tolerance for everyone. Jesus accepted all kinds of people to be his disciples; people that others would have shunned. When his disciples tried to push children away from Jesus he told them off for treating children in this way and reminded them that everyone should be treated with respect. This reminds us to be accepting to everyone and to celebrate what makes us different and unique and not to use it to tease and bully.

SPORTS DAY

Thankfully the sun shone on us today and we had beautiful weather for our Sports Days which made for a lovely day. I was particularly impressed with the children's sporting

behaviour today and how well they supported each other. I had the pleasure of watching children cross the finish line and on numerous occasions the children turned round and congratulated each other and were genuinely pleased for friends who had won the race even if they had beaten them in the process.

In addition to this the children put a lot of their learning behaviours into action today. They showed lots of perseverance and determination in the races pushing themselves to give the best performance they could. Not one child gave up when they were in last place they kept pushing to the finishing line.

There were also lots of examples of the children showing brilliant resilience, managing falling over, losing shoes and hats flying off. The children all picked themselves up and continued running! Well done children you were all great today.

It was also lovely to see so many friends and family at both events to support and cheer the children on. They love having all of you there to watch and support and it makes for a truly family event so thank you for giving up your time to come along and support the children.

I would also like to say a massive thank you to Miss Hovenden for all of her hard work organising the whole event for all of our children to enjoy. Also a big well done to all of our Year 6 Activity Leaders who helped with running races on the day—you all did a great job.

SCHOOL UNIFORM

I understand that it is the end of the year and uniform may be getting a little tired, but could I please ask that children still come to school looking smart and in correct uniform.

Children must come to school wearing their school shoes which means they need to go home wearing them too. A number of children are arriving at school in trainers and there is not enough room in the changing rooms when everyone is arriving in school to be able to sit and get changed into school shoes. This then makes the children late into class. Thank you for your help with this.

PARKING & ROAD WORKS

Sorry to give another reminder about parking and driving, but it continues to be a problem especially with the addition of the road works at the moment.

Please do allow additional time for your journey as the traffic lights are quite slow to change and do not drive down to the school gates at the start and end of the day unless you have a disability badge.

Have a lovely weekend.
