## WORSHIP THEME - REMEMBRANCE

John 14 v1-6

On Tuesday Marie from Chapel-on-the-Hill led a worship for the children talking about Remembrance and the significance of remembering people who have fought and died in wars and the importance of learning from the wars and conflicts to try and bring peace to our world.

This was developed further in our Junior Eucharist Service on Thursday morning in which Father Kevin used the Bible verse John 14 to talk about how to find Peace. In the Eucharist he reflected on how we should follow in Jesus's footsteps and try to be peace makers, helping each other to resolve conflicts and work hard not to cause conflict with others.

## ANTI-BULLYING WEEK

A reminder that we are celebrating Anti-Bullying Week next week and on the Monday we are taking part in Odd Sock Day to celebrate diversity and each person's uniqueness. Children can come to school wearing muffs on Monday so that they can express their individuality, but odd socks must feature as part of this.

## GOOD WORK WORSHIP

Well done to the children in Class Vivaldi who led Good Work Worship this week. The children shared some of their fantastic writing inspired from their class book The Philosopher's Stone and their trip to The Harry Potter Studios. The children read some of their Sorting Hat poems, a chapter they had added to the book as well as some of their description of Harry's trip to get his first wand and other school equipment.

In addition to this we had a lesson on long division and how to juggle, a song was sung and some excellent Van Gogh and Chibi inspired art work was shown.

A reminder that Year 3 will be celebrating their learning next Wednesday morning at 9:00 am. We look forward to the children sharing their fantastic learning with us and welcoming lots of family/friends.

## REMEMBRANCE SERVICE

The PLT will be taking part in the remembrance Service at Chapel-on-the Hill at 3:00 pm on Sunday afternoon. They will be sharing some work they have prepared and be teaching the congregation a song we enjoy singing at school. Families are invited to join us at the service to support the PLT and celebrate Remembrance. There will be refreshments afterwards.

## FACT FLUENCY FRIDAY

You may have seen the children leaving school wearing mathematical stickers today. This is a part of our Fact Fluency Fridays in which children are being challenged to learn number facts they have been finding tricky. Everyone in the school is taking part and children and adults are testing each other to help learn these tricky facts. Please try and encourage your child to practise this number fact at home please. Good fact fluency supports children to become quick and efficient mathematicians.

## PTA UPDATE

Firstly a huge thank you to everyone who brought in chocolate on our PTA Donation Day on Monday. This was one of the best supported donation days yet. Thank you everyone.

Our PTA AGM was held on Tuesday this week and the following committee members were elected:

- Chair Person—Lindsey Larkin (Y4 parent)
- Vice Chairperson—Vikki Whale (Y6 parent)
- Treasurer—Ruth Burgess (Y4 parent)
- Secretary—Sarah Gadsby-Houghton (Y3 parent)

It was agreed that the PTA would fund a class set of cooking equipment and 2 new cookers so that every class can do a cooking event as part of each topic. They also agreed to give £300 to support Forest School activities and to buy 3 new visualisers that are used to support teaching and learning in the classrooms as some classes are currently without this important teaching tool.

Having agreed to spend some money the next step is to raise some more funds and one of our major funding events the Christmas Fayre will be taking place on the 1st December from 12:00 pm to 3:00 pm (flyer attached). We hope that you will support by attending and helping to run stalls on the day. Without enough helpers we cannot run stalls which limits the amount of money we can raise. If you are able to help run a stall for part of the fayre then please write your name down on the sign-up sheet at the school office.

## SCHOOL PHOTOGRAPHS

On Tuesday the children will be having their individual and sibling school photographs taken. Please make sure that children come to school looking super smart for their photograph.

If you have pre-school siblings that you would like to have photographed with their school sibling then please come to the school office at 8:45 am and we can arrange for this to happen.
