Dear Parents, Staff and Carers,

## RE: Proposal to Convert to an Academy within DCAT

I am writing to update you on the position following the close of the consultation on our proposal to convert to academy status and join the Diocese of Chichester Academy Trust (DCAT).

We are very grateful to those parents and staff who responded to the consultation however, we are aware that the disruption to school and our wider lives in recent weeks may have meant that some parents and staff did not respond but had intended and wanted to do so.

For that reason we have extended the consultation period to Friday 24<sup>th</sup> April and we invite all parents and staff to tell us what you think about this possible next step in the life of our school. The consultation letter is available on the school website together with the presentations made at the parent meeting held on 26<sup>th</sup> February and the notes of that meeting. Should you wish to refer to these before submitting your response on the Survey Monkey link below.

The link for consultation documents is:

We look forward to receiving your responses.

Yours faithfully
