WORSHIP THEME - Honesty

Luke 16v10: 'Whoever can be trusted with very little, can also be trusted with much.'

Following on from the great buzz that was created in Detective School last week, we have continued to look at the theme of Honesty in worship this week.

We started by reflecting on how it feels when someone lies to us. The children came up with some great ideas:

"stupid, angry, betrayed, upset, disappointed and sad"

We then reflected on a time when we might have told a lie and how we felt when we knew we had lied:

"guilty, worried, a cheat, anxious and disappointed"

If we feel upset when we are lied to and when we lie why do people lie?

The children discussed this together and came up with lots of reasons:

"to get something they wanted; because they want to win and beat other people; to get people into trouble; so you don't look silly; but lots of children said it was because they didn't want to get into trouble.

We thought about what happens when we lie to get out of trouble and all the children agreed that if you get found out you get it to even more trouble. The children were therefore encouraged to be courageous this year and admit when they have done something wrong as being honest would cause far less upset and trouble in the end.

PARKING

I am really sorry to have to tell you that within the first two days of being back at school we had already had quite a strong complaint from a neighbour about parking at the school. Please can I ask you to be considerate to our neighbours and the safety of the children when parking at the start and end of the school day. Please do not:

- Mount the pavement or block the pavement when parking.
- Turn in neighbours' driveways.
- Park within 10 metres of a junction (Highway Code) or across the entrance to the carpark.
- Leave your car engine running whilst parked (Highway Code).

Please adhere to these rules for the safety of the children.

Parking is also helped if parents arrive for their designated drop-off time as this staggers the use of the carpark.

SCHOOL DROP-OFF & PICK-UP

Thank you for your patience whilst we try to find the best way to make the start and end of the school day as smooth as possible for everyone and support with how busy the roads can be at these times of day.

Please can I ask that you only come down to the school gate for drop-off and pick-up in your child's allotted time to minimise congestion at the gate and on the playground.

If you only have one drop-off and pick up time please do not arrive for this early or late as this increases congestion and makes it harder for us to handover children particularly at the end of the day.

If you have children to pick up in both slots please can we ask that in the morning all children are dropped at the first time with older siblings helping younger ones into school. In the afternoon you only come down for the second pick up time collect the older sibling and then go to get the younger sibling.

Also please remember that no dogs are allowed on the school site, even if a puppy and even if being carried. Some children can find dogs quite scary.

TAPESTRY

Apologies for the issues with Tapestry earlier in the week, but these are now fully resolved. Due to the amount of positive feedback we have received about the weekly post on Tapestry from each of the teachers, we are going to continue with these this year.

At the end of the day each Friday your child's class teacher will add a short post to Tapestry with a summary of what has been happening in class that week. Hopefully, this will help you to feel more in touch with what the children have been learning.

CLASS NEWSLETTERS

Attached with the newsletter is a class newsletter giving you more information about your child's topic this term and homework expectations. We hope you enjoy reading this.

Have a lovely weekend everyone!
