SPORTS LEADER APPLICATION FORM

Thank you for showing an interest in being a Sports Leader. There are two parts to the application form and it is important that both parts are completed.

Task 1:

Answer the questions below giving as much detail as you can.

Name:	
Why do you want to be an Sports Leader?	
What experiences and skills do you have that would make you a good Sports Leader?	
What one thing would you like to improve about play times in the coming year? As a Sports Leader how could you make this happen?	
Can you give an example of a time that you have shown good sporting behaviour, or helped others to play nicely together?	

Task 2:

Design a Sports Card, electronic or paper, that shows children how to play a safe and fun playground game? Make sure your instructions are clear and easy to follow by younger children. Your name should appear somewhere on the Sports Card.

Remember your Sports Card and application form must be handed in to Mr Cole or Mrs Paton by 9:00 am on Monday 4th October.
