WORSHIP THEME - HONESTY

"Whoever can be trusted with very little can also be trusted with much," Luke 16

This week in worship we have been focussing on our school value of Honesty. The children were read a story about two brothers; one who felt that you could get more and do better in life by being dishonest, while the other brother thought that it was better to be honest, even if it didn't make you rich and wealthy.

In the story it seems that the dishonest brother is doing well out of being dishonest and lying to cause trouble, but the honest brother puts his efforts into helping others and being truthful. In the end the dishonest brother is caught out by his lies and mean ways and the honest brother through helping others is himself helped and is able to live a happy life.

We talked about what we can learn from this story and the importance of being honest and once we are dishonest we cannot be trusted and we can become mean and unkind which means that we are then not keeping our other school values. After some discussion about why we are all sometimes dishonest, we decided that actually honesty was the best policy and that this is something we should all try to be.

Y6 BEDGEBURY TRIP

I had the great pleasure of accompanying Year 6 on their trip to Bedgebury on Monday for problem solving and team building skills. The children worked together well and built some very creative dens and used their map skills to navigate their way around the pinetum finding out lots of information about the trees.

Mr Cole and I were particularly proud when Steph our visit leader said that we were the best behaved school she had ever had and the only school where everyone had got back from the map reading activity on time. Well done Year 6 you represented our school brilliantly and we all had a great time too!

Y5 PLANETARIUM VISIT

On Monday while Y6 were busy at Bedgebury Y5 were being visited by the Planetarium from Herstmonceux Science Centre. The children has a great time watching two shows revealing our amazing night sky and solar system. This has really supported the children in their learning and understanding of planets. Again the children represented the school brilliantly. Thank you Year 5.

CHRISTMAS DINNER ORDERS

As well as the Newsletter you will have received a copy of this year's menu for Christmas Dinner which is on Thursday

16th December.

If you would like your child to have Christmas Dinner this needs to be booked online by next Wednesday (1st December). We are unable to change the menu on Parent Pay so on Thursday 16th December the menu choice is Lasagne. If you book for this day you will get Christmas Dinner.

On Wednesday the menu choice will not be roast gammon, but Thursday's choice, Lasagne. You just need to ignore what it says on Thursday 16th December and book main if you would like your child to have Christmas Dinner. As always you still need to book even if you don't need to pay.

PTA BOTTLE DONATION DAY

A reminder that we have the last of our Christmas Fair donation days on Monday and we are asking for bottle donations for the Bottle Tombola in return for the children being able to wear their own clothes. Families need only donate one bottle per family rather than one per child. Thank you in advance for your donations.

Also thank you to those of you who have donated Christmas jumpers, but we are still looking for more if you have them. And finally another reminder to get filling those Jolly Jars for a great fun game for the children to enjoy at the Christmas Fair which is now only a week away. We do really appreciate all of your help and donations and it is looking like we are all set for a great event.

POPPY APPEAL DONATIONS

Thank you to everyone that supported our Poppy Appeal by buying poppy related products. We raised a total of £119.65 for the Royal British Legion.

CHILDREN IN NEED DONATIONS

Another big thank you to everyone that donated to our Children in Need Appeal in exchange for the children doing our Children in Need Ramble. We raised a total of £326.00 to support the work of this fantastic charity. Thank you very much!

FOOTBALL SUCCESS

Congratulations to Archie Compton in Year 6 who has been completing in trials to be Sussex's U1s football team. After a lot of hard work and some tough competition he has been selected to be part of the Sussex team. Well done Archie!

COVID CASES

Cases are rising in the local community and in schools so please be extra vigilant for signs and symptoms at the moment and if in doubt please test. A letter is attached from East Sussex County Council for your information.

Have a lovely weekend everyone!
