WORSHIP THEME - HONESTY

This term in worship we will be focussing on our school value of honesty. We started by thinking about what honesty actually is so that we can see how we deepen our understanding in the coming weeks.

We started by looking at the Bible story of Isaac's two sons Jacob and Essau and how Jacob with the help of his mother tricked Isaac into giving the promise of his land to him rather than his older brother Essau as tradition at that time would have. We reflected on why Jacob would have wanted to behave in this dishonest way and take something that wasn't his by right. How Isaac would have felt being tricked by his own son.

In class the children then looked at the story of That Rabbit Belongs to Emily Brown which is similar in that the queen tries to take something that does not belong to her but that she wants.

SWIMMING

Well after a three year break and a pool makeover all of the children returned to swimming this week. Although it has been hard work getting the pool back up and running it has been worth all the hard work to see the excitement and enjoyment on the children's faces in their swimming lessons this week. I will post some photos of the pool makeover on the website next week for you all to see. Thank you so much to all of the parents that have offered to help. In some cases we have had more offers than needed, but thank you to all of you for your help and support.

ONLINE SAFETY ADVICE

Thank you to all the parents that completed our survey linked to online safety. A number of you commented that you would like to be able to access training and additional information on how to keep children safe online and be better aware of the potential dangers. Below are some links to training available from East Sussex and advice and support from the NSPCC.

E-SAFETY (2-10YEARS OLD) 2 HOURS

This session will teach you how to talk to your children about online-safety and gives lots of useful tips and tricks on how to keep them safe online.

- Wednesday 11th May 6.30-8.30pm
- Friday 10th June 10am-12.00

E-SAFETY (10+ YEARS) 2 HOURS

Teenagers use digital technologies for everyday activities like keeping in touch with friends on social

media, relaxing and doing schoolwork. Because they're online so much without your supervision, teenagers need to be able to identify acceptable and unacceptable online content independently. They also need to know how to behave respectfully online and avoid online risks.

- Friday 20th May 10am-12pm
- Wednesday 22nd June 10am-12pm

BOOKING

The Parenting Team use Microsoft Teams to deliver all the training for free. To register for either of the above training opportunities please email:

EH.0-19parentingteam@eastsussex.gov.uk

quoting the session you would like to attend and they will send you a link to the training nearer the time.

NSPCC ONLINE SAFETY HUB

The NSPCC Online Safety Hub provides advice and information on a range of different online safety topics including gaming, social media, sharing nudes, parental controls and more. You will also find online safety information for families of children with additional needs and disabilities. We have worked with Ambitious about Autism and parents and carers who have children with additional needs and disabilities to create activities to help talk about online safety.
