

Year 5 Optional Homework Tasks

Year 5 Sunflower race.

Plant your sunflower seed and design a table to record your own measurements. Who will grow the tallest?

Add photos to Tapestry.

Plan to visit the South of England show.

Dates run from 10th-12th July.

Research and present Charles Darwin's interest of cabbages. What did he discover?

Choose an exotic fruit or vegetable and research the ideal growing conditions.

How many miles does your chosen fruit or vegetables have to travel to get to our shops?

Can you follow a healthy recipe for your family? Perhaps a tasty soup or herby salad.. Share your pictures on Tapestry.

Research the life cycle of a human, animal or plant.
