

# Year 2 Optional Homework Tasks

Design yourself a treasure chest, what are you going to stash inside....  
golden coins, special books  
or precious jewels?

Make a treasure map.  
X marks the spot.  
How can you make it look  
really old?  
Bring it into school for our  
display.

Make a pirate accessory,  
maybe a telescope, a  
sword, a pirate's eye  
patch, design a flag or  
even create a pirate's  
hook.

We are lucky to live so  
near the sea!

Explore your local area, walk  
along the beach, visit the  
aquarium, lighthouse or climb  
the seven sisters. Post your photos  
on Tapestry to share with the  
class.

Write a story about a  
ferocious pirate, a terrible  
shipwreck or scary storm. Bring  
it to school to share. Don't  
forget to use your best  
handwriting. You can get lined  
paper from me.

Make a boat that will  
float. Try paper or even  
corks. Decorate it and  
bring it to school.

## Topic: Land Ahoy!
