

Year 3 Optional Homework Tasks

Make a rain gauge and use it to measure rainfall in your garden.

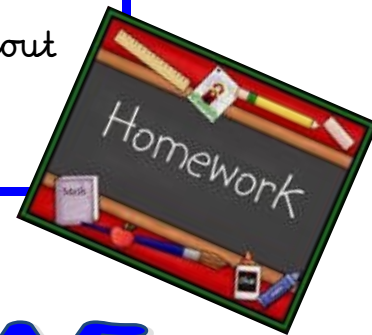

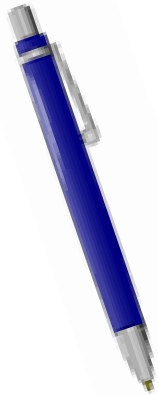

Find out how to save water around the home. Create a powerpoint of top tips to advise your family on water conservation.

Go pond dipping. Take a net and a light-coloured bowl or bucket to get a good view of your collected specimens. Remember to put back

Be a landscape gardener! Visit a garden centre and look at water features. Could you make one in your garden? You'll need water, soil, pipes, jugs and maybe some pretty stones.

Visit a gallery and look at river paintings (you could do this online!). Why do you think so many artists are inspired by water? Draw, paint or take photos of a beautiful river scene.

Experiment with water current. See if you can make things move in or across water without touching them.
