1<sup>st</sup> November 2022

Dear Parent/Carer

## **RE: Year 6 Woodland Day Wednesday 9<sup>th</sup> November 2022**

Our new topic is 'Frozen Kingdom' and one of the areas we will be looking at is how humans are able to survive in some of Earth's harshest environments. To explore this further, we are going to head out in to our local woods for a day of survival activities as well as fun and games of course. Historically, we have gone to Bedgebury, but we decided to stay local this year so there is no cost at all to parents. There is also no form to fill in as we have your annual consent forms giving permission for local walking trips.

Whilst in the woods, we will be completing a number of activities including map reading, den building, scavenger hunts, capture the flag and much, much more. On the day of the trip, your child will need to come to school in 'forest school' style clothes so wellies/boots/old trainers and clothes you do not mind getting dirty. Depending on the weather, multiple layers and/or waterproofs may also be advisable.

Your child will also need to bring a small rucksack/backpack to school containing a water bottle and a packed lunch. Being in the woods can make us peckish as well so snacks are recommended!

Your child can come into school at the normal time and will be ready to be collected (from school) at 3.25pm as always. So, we do not miss our cricket session with the coach, we will have our cricket lesson at 9:00 am and then head to the woods straight after. Your child will not need to change for PE on this day, but if they are wearing wellies or boots, they will need to put their PE trainers on.

Please do get in contact if you have any questions.

Kind regards,

Mr Cole
