Tuesday 12<sup>th</sup> September 2023

Dear Parents and Carers,

## RE: After School Science Club

I am very pleased to announce that I will be starting a science club on a Tuesday after school. The club will be a great opportunity for children to join in with science experiments, learn about influential people within the STEM community and develop their team work skills. As places need to be limited for safety reasons I am going to alternate the club each term. This term will be Key Stage 1 and next term will be Key Stage 2 and so on.

The club is limited to 15 spaces and will be allocated on a first come first serve basis. To cover the cost of resources for the experiments, I will be charging £2.00 per child, per week, which is payable on School Gateway at the time of booking.

This term the club will be open to children from KS1 (Year 1 and Year 2) and will start on Tuesday 19<sup>th</sup> September. There will be a total of 5 sessions this term so the cost of the club will be £10.00 per child. Booking for the club will open at 5:00 pm this evening (Tuesday 12<sup>th</sup> September).

Please reserve your child's space School Gateway by Friday 15<sup>th</sup> September.

I look forward to working with your budding scientists soon!

Yours faithfully,

Mrs Jefferies  
(Year 1 Teacher & Science Leader)
